

# 6533L

## Aluminum pipe wrench

- 40% lighter than heavy-duty models, easy to use
- Straight pipe wrench is suitable for all types of pipe work
- Drop-forged jaw is heat-treated
- Easy-spin adjusting nut, quick to adjust size

	Opening of the jaw (mm)	L (mm)	L (inch)	Weight (g)
653310L	30	254	10"	540
653312L	40	300	12"	833
653314L	50	356	14"	600
653318L	60	455	18"	1500
653324L	75	600	24"	2500
653336L	85	910	36"	600
653348L	110	1200	48"	8000
