

# 874051

## Modular stackable box - S (456 x 372 x 115 mm)

- KING TONY has designed its stackable and modular boxes to cope with different work situations with varying tool needs.
- With the stackable and modular boxes, it is easier to take your tools with you.
- No more frequent trips between the vehicle and the work site! Stackable and modular boxes save time, energy and efficiency.
- Easily assemble multiple boxes with the I-locking clip, which can be unlocked with one hand by rotating it 90 °.
- Quickly locate the contents of the box thanks to the 4 label holders (2 front and 1 on each side).
- Two sturdy and ergonomic handles for an easy transport; one located on the lid and one on the front of the cabinet.
- Can support up to 15 kg of load
- Lid designed to attach a tool organizer, made of 1 or 2 panels (not included).
- Made of impact resistant ABS
- Honeycomb structure of the cover, for more resistance while ensuring maximum lightness.
