

794607

Self-Retracting Blade Safety Cutter

- 60 x 18 mm trapezoidal blade multi-function safety cutter.
- Robust.
- 2 in 1: choose between locking the blade manually or the auto-retracting function.
- Manually retractable blade: push the side slider to extend the blade. Release the slider, the blade remains extended. Push the slider in the opposite direction to store the blade back.
- Automatically retractable blade: push the top slider to extend the blade. As soon as you release the slider, the blade automatically retracts for extra safety.
- Blade tank integrated in the handle. 2 spare blades included.
- Thread cutting notch.
- Zinc alloy structure.
- Non-slip TPR Soft-Grip handle.
- High quality blades, made of SK5 carbon steel, sharp and long lasting.
- Compatible with blades: 794507P01
