

762BI

Anti-vibration ergonomic handle chisel

- Patented non-slip bi-material handle for a comfortable use.
- Handle fits perfectly in hand offering an excellent grip for a safer and comfortable use.
- The dampening band inside the handle reduces choc wave on blade. (picture 1)
- Non-slip and dampening notch on the handle allows to firmly grip and hold tools in place for a safer use. (picture 2)
- Made of chrome-vanadium (Cr-V) steel
- Brownish finish.
